

PN-M1504A-CD05

5 inch Android face machine

- 5-inch ultra-clear touchscreen, smooth operation, and clear display.
- Android 11.0 system, stable and efficient, for long-lasting performance.
- Supports IC/ID card swipe verification, secure and convenient.
- Powerful storage, supporting 20,000 cards and 200,000 records.
- Touchscreen password entry, enhancing security and convenience.
- 10/100M Ethernet interface, ensuring a stable connection.

Parameter	Value
Model	PN-M1504A-CD05
Core Parameters	
System	Android 11.0
CPU	RK3566 4x ARM® Cortex™ A55 up to 1.8GHz
Storage Capacity	2GB RAM, 32GB Storage
Human-Computer Interaction	
Display	5-inch, 170° IPS LCD, resolution 480*854
Touch Screen	Supported
Communication	
Ethernet	10/100Mbps Ethernet
Recognition Method	
IC/ID Card	Supported
Interfaces	
Data Interface	USB 2.0*1
Relay	*1
Serial Port	RS485*1
Wiegand	26bit/34bit Protocol
Button	USB Upgrade Function
Power	
Adapter	DC12V/1.5A Power Supply
Environmental Requirements	
Operating Temperature	-10°C to 60°C
Operating Humidity	20% to 90% (Non-condensing)
Protection Level	IP65
Equipment dimensions	175*95*32
